

ELIZABETH COLLEGE

LOST PROPERTY

As a parent it is very frustrating when your son or daughter loses an item of uniform, their PE kit or school bag. At College we are doing everything we can to get items back to the boys and have a system that works well when items are named. The boys receive a reminder during registration and can their collect their lost item from Mrs El Mettouri during morning break time. If it is a small but valuable item it will be kept in the school office

However there is a worrying amount of lost property that does not have a name on it. We keep an up to date list on the website but as you can see from the list below it is quite an extensive collection. Each term we will either sell the 2nd hand uniform to raise money for the Friends of Elizabeth College or pass the items onto Oxfam or similar charity shop. If you wish to claim any items, please do call in at the school office.
